

Dear Friend,

We would like to invite you to participate in the 6TH Annual - Acadiana Youth Hunter Education Club Sporting Clay Tournament on April 24, 2010 at Ed's Sporting Goods near Kaplan.

This event in the past has been a successful fundraiser for the Youths of this organization. These funds provide our youths with materials and ammunition for preparation and participation in various local, state and national competitions. Our goal this year is to participate in NRA International Youth Hunter Education Challenge that will be held in Mansfield, Pennsylvania July 26th -30th 2010

At the NRA International Youth Hunter Education Challenge the youths will be able to enhance their knowledge of hunter education and marksmanship skills. YHEC clubs from around the United States and Canada will be attending, which is an excellent chance to meet youths from different backgrounds that share their interest. The activities will help the youths develop skills that will stay with them and enhance their ability to deal with future hunting and survival situations, ensuring a safer future in outdoor activities.

All of this is made possible by the assistance and contributions of our sponsors and fellow shooters. What better way to invest in the future, than investing in a child's education?

For more information on our organization please see our website acadianayhec.com

Hoping to see you there!

Acadiana YHEC
